

There are **over 100 supplement pages** for this workbook.  
You can download and print the supplement pages on our website  
(See password on page 9).

You can open the file during class by logging into the website.  
To navigate through the FDF file use the

For example:

In the **table of contents of the PDF file**, on page 7,  
you will see that you have 6 supplement pages. (slides 13-18)

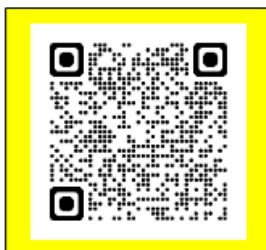

Clicking on Slide 13 will open the first worksheet for page 7 (See Screen 3).

השם שלי: \_\_\_\_\_

At the top of the supplement page, there is a place to write the student's name, class, and date.

דף עזר 1 לעמוד 7  
חוברת 123 עברית חלק ראשון

At the bottom right of the supplement page, it will show the corresponding student booklet page and the number of supplement pages for it.

Scan the QR code to access the booklet's download center.
